SUBJECT : Yugoslav Mine Sweepers for Training of
Albanian Naval Personnel

INFORMATION

EVALUATION

25X1

1. Three Yugoslav mine sweepers [redacted] were in Durazzo harbor between 10 and 15 August. While there, they were used for instructing Albanian naval personnel.

25X1

25X1

2. The captains of these vessels were Lieutenant Commanders Krafic, Bukovic and Busin of the Yugoslav Navy.

3. Among the Albanians attending the course of instruction there were three officers, seven petty officers and 31 cadets of the Albanian Navy. During June and July, 35 officers and petty officers and 96 enlisted men of the Albanian Navy were given courses of training by the Yugoslav Navy.

4. The three mine sweepers departed from Durazzo at 0430 hours on 16 August for Vlora.
